The Honorable Nancy Floreen
Council Member
Montgomery County
100 Maryland Avenue
Rockville, MD 20850-2322

Dear Nancy:

Your state association has nominated you for membership on a NACo steering committee. As president of the National Association of Counties, I have the honor and privilege of appointing members to many of NACo's committees, but, my role for steering committee members is to ratify the nomination, and to congratulate you for your appointment.

Committee leadership at the national level is a serious commitment and a big responsibility. A great deal of NACo's strength is in its committees, and that strength is reflected in the commitment and active participation revealed throughout our committee structure.

It is my pleasure to confirm your appointment to the following steering committee:
Member, Transportation Steering Committee

Your NACo staff liaison will follow-up my appointment letter with specific details and information regarding your appointment, appointment term, future meetings, and the mission of the committee.

This year promises to be an exciting one and I look forward to working closely with you to further NACo's goals which, in turn, will benefit America's counties.

Sincerely,
